

Show Notes  
Help Desk Live- Episode  
NORTHGATE High School

Date: 4/21

Time: 7:00 AM

Guests: Alix Katague

Host: David Pearl and Josie McGregor

### **Welcome:**

1. Welcome viewers to NHS TechTalks Live- Episode: 5
2. Reminder today's episode will be available on the Help Desk Live [YouTube channel](#)
3. Host- don't forget to introduce yourself! Your name, year in school, member of HD
4. Introduction of guest(s). Should conduct research on guests & share a brief bio w/ audience

### **Interview Questions:**

1. What was your experience with engineering at NHS and how has it helped you at Cornell (if at all)?
2. How have you coped with filling in any coding knowledge gaps? What advice do you have for students going into engineering or business regarding coding?
3. What is CUAir and what is your role on the team? Do you recommend joining a club/team like CUAir?
4. What was your general experience at Cornell?
5. Do you have any advice for future engineers or future college students?
6. What are your plans and goals for the future after you graduate at Cornell?

### **Conclusion:**

Thanks to Alix Katague for her time and thanks to the HelpDesk Live audience.
